

KNTTING WITH COLOUR AND CLARITY

Patricia Roberts

31st May to 6th June 2012

travel days inclusive (5 days / 6 nights)

During this five day workshop, Patricia will present examples, demonstrations and discussion of knitting projects in the morning, whilst the afternoons will be spent experimenting, designing and knitting with one-to-one help and general guidance from Patricia and her assistant. Patricia will be bringing with her examples of her yarns and patterns, with plenty of ideas on how best to use and adapt them, and it is expected that everyone will go home with at least one project idea to complete at leisure. This is a rare opportunity to utilize and combine existing knitting and crochet skills under the guidance of an iconic knitting designer; but it also offers time to develop, play with and share yarn skills in a fun, creative and nurturing environment.

A basic level of knitting competence is required for this workshop (casting on and off, plain and purl stitch) as Patricia will be demonstrating her patterns and colour mixes and will not have time to cover elementary knitting skills.
